THE OFFERING

The property features 25 apartment units, including studio, one-bedroom, two-bedroom, and 1 commercial unit, delivering strong current income with clear and achievable upside potential. Investors will benefit from immediate cash flow and the opportunity to enhance returns through strategic rental growth.

Positioned steps from the University of Toronto and immersed in the energy of Kensington Market and Chinatown, the property enjoys constant demand from a diverse and growing tenant base. This is a proven rental location with long-term strength and limited comparable supply.
